

## 2010 Mooting Results

Upper-year students with a particular interest in mooting are eligible for selection to competitive moot teams that represent the law school on both a national and an international level. These competitive moot teams are consistently among the best in the country, bringing home both national and international honours. The Faculty warmly thanks the competitors and all the people who supported them for their hard work and dedication. Last year the law school sends teams to the following competitions:
