

2016 Out On Bay Street Student Leadership Scholarships

Good afternoon,

I am writing to give you updated information about a scholarship opportunity for **leaders in the LGBT community** at your school. Applicants must have completed one year of post-secondary education, and must submit a completed application before **May 27, 2016** in order to be considered for one of **two \$2,500 awards**. We're excited to share that the application process is easier than ever, and students now only require one reference.

Additional information is available on the Scholarship webpage:

<http://outonbayst.org/initiatives/scholarshipawards/>

If you have any questions, please don't hesitate to reach out to me. We look forward to receiving applicants from your school!

Kind regards,

Phil Gazaleh
