

FPTP, RCV, PR, MMP, STV, WTF? With Dave Meslin

A Crash-Course in the mechanics of electoral reform.

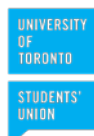

Justin Trudeau wants to change Canada's voting system, getting rid of our first past the post system. But what does that mean? Join us for an in-depth and interactive discussion about how different voting systems affect levels of participation, diversity, inclusiveness and fairness. Learn how your organisation can increase engagement by reforming their own process.
