

NEW FINANCIAL AID APPLICATION DEADLINES

Due to the new billing schedule of the University of Toronto, the Financial Aid Office has adjusted its Financial Aid Application Deadlines.

Our office wishes to give students the opportunity to view an accurate account balance on their ROSI accounts, in order for students to make the correct payments to their fees before the due dates of October 15th, 2015 (for Fall fees), December 15th, 2015 (for students who are not eligible for deferral of fees) and February 15th, 2016 (for Winter fees). These are the dates that service charges will be charged on all outstanding fees for fall and winter fees respectively.

Please view the table below for these changes to our deadlines:

UPPER YEARS:

Item	Due Date
Financial Aid Application & all supporting documents (except for the final summer paystub)	August 4 th , 2015
