# 2<sup>nd</sup> Annual Franklin Forum The AI Revolution in Academia

Massey College · 7 Feb 2018 · 1-6 pm

Artificial Intelligence promises to start a revolution in many aspects of society and academia.

How will your research adapt and include such changes?

What types of problems can be tackled using AI?

How can we use AI safely, ethically, and transparently?

For students and scholars of all disciplines.  
Light refreshments provided. RSVP required.
