## Announcing extended hours at the Health and Wellness Centre.

In an effort to respond to students' needs and improve access to our services, the Health and Wellness Centre is extending its hours of operation. Starting September 4, Thursday hours will be extended to 7:00 p.m. (This is in addition to the current Tuesday and Wednesday closing of 7:00 p.m.) On September 10, we are also introducing a primary care, same-day clinic from Monday to Friday in the afternoon. This clinic will offer brief appointments to address acute issues (and would not be appropriate for consultations or documentation requests).

(EXPANDED) Weekday hours: Tuesday, Wednesday & Thursday open until 7:00 p.m.

(NEW) Same-Day clinic: Monday to Friday, 1:00 p.m. to 5:00 p.m.

Please help us to make students aware of these changes when you direct them to our services.

### Health & Wellness hours starting September 4, 2018:

- The Health and Wellness Centre will open at 8:45 a.m.
- Tuesday, Wednesday and Thursday: 8:45 a.m. to 7:00 p.m.
- Monday and Friday: 8:45 a.m. to 5:00 p.m.

### Starting Monday September 10, 2018:

- Same-day clinic: Monday to Friday, 1:00 p.m. to 5:00 p.m. – By appointment

These changes provide convenient and flexible appointment times, and give students in need of (medical) care the opportunity to see a provider on the same day.
